# DEFY INDUSTRIAL **COURT OF KANSAS**

Federation Also Demands Exclusion of Japs-To Organize Workers in Buildings.

MONTREAL, June 16 .- Atexander Howatt, President of the Kansas District of United Mine Workers, in ah address here to-day before the Amer ican Federation of Labor Convention defied Gov. Allen to enforce his Cour of Industrial Relations on which he "attempted to ride into the White House."

"The United line Workers," deolared Mr. Howatt, "will street when ever they believe they have the right to strike. We will show Gov. Allen that he has undertaken a bigger task then he anticipated. Every mine worker in Kansas is willing to go to Ben Ling and Abe Sing. inil before surrendering their rights a American citizens.

"I also want to tell the people that the coal produced by Gov. Allen's volunteers cost the people of Kansas \$200 a ton."

The Federation declared war on the Kansas Court of Industrial Relations in adopting a resolution which con demned such legislation as "confiscatory of the liberty and property and a denial of the human rights of organized labor." It instructed its Executive Council to take such steps as necessary to support organized labor in Kansas, Nebraska and Colorado in "fighting anti-strike legislation to a finish."

The Federation called upon Congress to cancel the "gentlemen's agreement" with Japan and absolutely exclude Japanese and other Asiatic immigration to this country. The exclusion of "picture brides" also was demanded.

Declaring that a band of "irreponsible agitators" are attempting to discredit the "recognized organizaions in the rallway service," the Pederation unanimously condemned the "secessionist movement" which resulted in the recent railroad strike. The Executive Council was in-structed to investigate the desira-bility of forming an international union of building service employees of America, to include all workers known as jantors, janitresses, scrub-

women, window-workers and watch-The convention adopted a resolu-
